### • 1st Choice Pools and Spas in Southern California.

Turn your traditional backyard into something to talk about.

**1st Choice Pool Service** can build an attractive and functional pool that will turn your existing backyard lawn or patio into a delightful backyard escape. Choose your finely detailed pool from a variety of exciting shapes and sizes that allow you to recreate your backyard environment into a private refuge for relaxing or a special place for outdoor entertaining.

### • 1st Choice Pools Go Outside the Box

Go beyond the basic pool and choose from a variety of special additions and products to complement your pool. One of our fine spas or dramatic water features can be the perfect finishing touch. Our professional construction crew will carefully install your pool and any options you have selected. Once the water is added, you'll be able to enjoy the view around your pool as well as the time you spend in it!

### • 1st Choice Pool Service Commitment to Excellence

Because we are committed to offering only the highest quality products, we are proud to be a part of the Backyard Escape program. We build our beautiful and functional pools with the finest materials and most advanced construction techniques to ensure a reliable pool that will be enjoyable as well as safe.

### • 1st Choice Pool Service Guaranty of Satisfaction

Each pool also comes with a full warranty to ensure many years of enjoyment in your backyard paradise. The Premier Orange County Pool and Spa Builder.
